Superintendent's Message

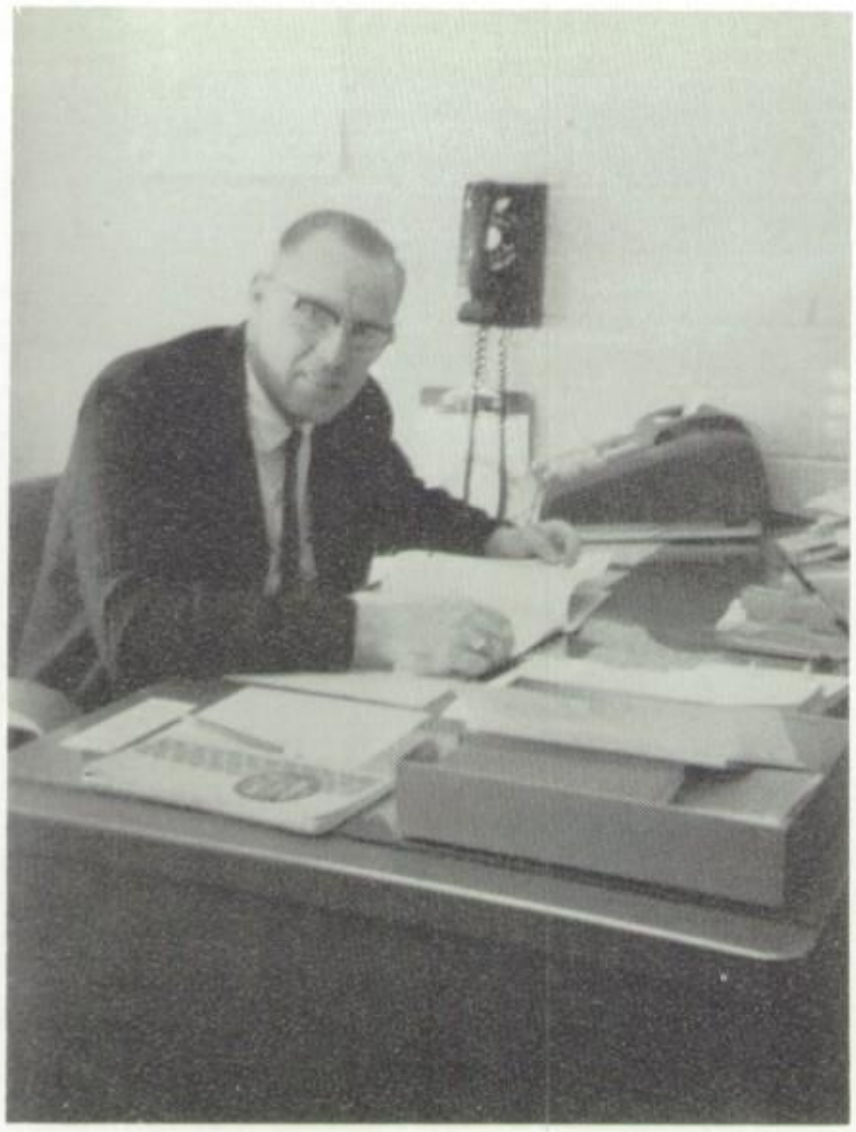
To the Students of the Big Piney Schools:

I hope that in some future day when you come upon this annual, dim with age, you will remove it from a dusty shelf and carefully open its covers ... that it may serve to remind you of days profitably spent, of old friends, and of teachers who will not have forgotten you.

My greatest wish is that you will recall your school life as days of enjoyable learning rather than as days of wasted activity.

I am happy to be your Superintendent and friend,

ROBERT W. SHEPHERD
Superintendent of Schools



Congratulations to the graduating class of 1963:

Best of everything in the future. I hope that what you have learned during your high school career will stand you in good stead in years to come. Whatever you choose to do in this highly competitive world will require performance of the best ability.

Good Luck,

George T. Kurkowski
